RE: **DOCKET NO. 504** - Arx Wireless Infrastructure, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at Lot N-4, Sequin Drive, Glastonbury, Connecticut.

Dear Attorney Ball and Attorney Pires:

The current deadline for a completeness review for the above-mentioned application is July 3, 2021. Due to the cancellation of the Connecticut Siting Council's (Council) July 1, 2021 regular meeting, the Council will need additional time for a completeness review for this application and therefore requests an extension until July 30, 2021.

The applicant's consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165). Please respond in writing by **June 25, 2021**.

We thank you in advance for your timely response to this matter.

Sincerely,

s/Melanie A. Bachman
